

General Requirements For MOU Rating Exams

Submit copy of letter from employer stating that applicant will be employed on Liberian flagged vessel. The application must be submitted by your employer (valid Liberian filing agent). **(Applications from non-Liberian flagged companies are subject to Administrative Fees. (Please contact me if more details are required.)** (Seafarers need to test in their home country when possible. Please advise why seafarer needs to take Liberian exam if home nation issues certificates listed below.)

Exam applications must include the following:

Copy of company letter
Physical completed within the one year when application submitted
Copy of passport
List of Sea Service
2 passport sized photos
And copies of below listed certificates
Service Requirements as Per RLM-118

Training Certificates	Ordinary Seaman (MOU)	Able Seaman (MOU)	Oiler Motorman (MOU)
Proficient in Survival Craft (A-28-Res.1079)		X	

Proficiency in Survival Craft Certificate can be attained by submitting the following OPITO approved certificate with your application:

Offshore Lifeboat Coxswain (Training) or Offshore Lifeboat Coxswain (Competence)

(Other courses can be submitted besides the examples listed above. They will be accepted on a case by case basis. It may require review of course curriculum.)

(All proof of training certificates must be valid and up to date, when submitted with application.)

Certain industry (example IADC and OPITO) courses/training may be required in addition to certificates needed for the Liberian exam to allow you to be eligible to work on a desired MOU. Please check with your company for these requirements.

The exam needs to be proctored by an authorized Liberian Nautical Inspector, Regional LISCR office, Liberian Approved Training Center, or Liberian Approved
