**\* Note 2:** Courses have provisional approval. This approval can be removed at any time. Please check [www.liscr.com](http://www.liscr.com) to view the Liberian most up to date course approval list.

**\*Note 3:** Applying seafarer shall provide attestation signed by Master, Chief Mate, Chief Engineer, Second Engineer or Designated Person Ashore (DPA) confirming practical experience and skills.

ATTENTION: Liberian approval means that Liberia will recognize approved courses when issuing Liberian Seafarer documents provided the requirements of RLM-118 are met. Seafarers need to submit an application to LISCR with copies of approved training course certificates, with a complete application as per RLM-118 in order to receive original Liberian COCs and COPs. Certificates issued by approved Liberian training centers are NOT Liberian COCs/COPs and are not to be endorsed on behalf of Liberia by other STCW Nation States.
